The vision of our academy is to leave no stone unturned to lead the present generation of children towards the path of achieving their dreams.

Jeans Paul, the founder of Brights Classes has the vision of building an education system that empowers students with knowledge, the desire to learn and self-discipline.

Edumentors is a conglomerate of marquee class owners with experience and expertise in education sector. Brights Classes is an integral part of edumentors since its inception in 2012. Currently we have presence in 18 locations across Mumbai and Thane district with 27 branches.

Edumentors has evolved as an academically, technologically strong group with state-of-the-art learning facilities across its branches in Mumbai. We, as a team, are strong proponents of the philosophy that a child will grasp a subject better when they are passionate about it and explained to them in a simple manner. We believe that this responsibility squarely lies on the shoulders of the *Gurus*.

Our method of teaching is strongly founded on the thought of transforming lives of students by simplifying education. And it's a culture among all mentors who are in in this journey.
